**Item #34 Approve Partnership Agreement with I-CAR**

It is my recommendation that the Board of Education approve the partnership agreement with I-CAR and Auburn Career Center regarding the school's participation in I-CAR's fixed training sites at CTE Schools program. This program is designed to provide fixed training locations to offer I-CAR training to the industry. (See Attachment Item #34)

**Item #35 Approve Customized Training Agreements**

It is my recommendation that the Board of Education approve the customized training agreements between Auburn Vocational School District and Visiting Angels. The Adult Workforce Department will provide customized training April 12<sup>th</sup> and 13<sup>th</sup>, 2017.

The Adult Workforce Department will also provide customized training for the Visiting Angels on an as needed basis from the date of execution of the customized training agreement until December 31, 2017. (See Attachment Item #35)
