

Cosmetology Uniform

The cosmetology uniform will consist of a black cosmetology smock and black bottoms.

You will need to purchase two pairs of pants and two smocks.

The order form for the smocks and the pants is attached.

Sample sizes of the smocks are available to try on in the cosmetology classroom.

Black closed toe shoes such as black tennis shoes must be worn. You should purchase these and leave them in your locker so that you have them every day.

The Judi smock is an A-line style. Please refer to the chart below.
