Dear Mr. Bontempo:

We are pleased to advise that The Lubrizol Foundation has approved a capital grant of \$50,000.00 to the Auburn Career Center, to complete the initial facility expense to park training vehicles and equipment. A check for that amount is enclosed.

To aid in future grant requests, our current grant making guidelines include the provision of a three-year span between discretionary grants for the same organization. This guideline is in an effort to assist organizations and institutions who have never received funding from the Foundation.

We extend our best wishes to you for continued success and look forward to hearing about your accomplishments during the year. It is a pleasure to be among your current supporters.

Sincerely,

Karen Lerchbacher

DRUG FREE CLUBS OF AMERICA

Auburn Career Center Drug Free Club Membership

The Business Partnership Coordinator, Michelle Rodewald, volunteered to take on Auburn's Drug Free Club this year because it aligns with the needs of businesses, internships, job placement and employability of students! The Drug Free Club is voluntary. Students sign up to be drug tested and then randomly screened throughout the year. Results are confidential. Students with clear drug screens receive a Drug Free Club of America Card to be used for rewards in the community and at school. Students can use club membership on resumes and with employers at interviews. It was my goal to increase membership this year and the number of rewards for students!
