

Lozick Foundation Machining Scholarship Application

The Catherine L. & Edward A. Lozick Foundation

In 2018, the Foundation approached Auburn Career Center about providing periodic funding for the machining programs in both the high school and Adult Workforce Education programs. The funds are to be used for the purchase of books and supplies and to provide scholarships in the Adult Workforce Education program. The Lozick Foundation's goal is to help Auburn Career Center improve the quality of our programs and to increase the number of machinists available to manufacturers.

Eligibility:

- Student enrolled in the full Machining/CNC program (665 clock hours).
- Student enrolled in one or more Machining CNC modules.

Guidelines:

- If awarded, the scholarship will be applied directly to the student's account at Auburn Career Center.
- Awards will be given in up to two disbursements.
- If the student withdraws from the program, he/she may not receive the entire scholarship award.
- Scholarship awards can only be used in the current program year.
- Scholarship awards cannot be used to pay off previous account balances at Auburn Career Center.
- Students must maintain Satisfactory Academic Progress (SAP) as noted in the current Auburn Career Center's Adult Workforce Education Student Handbook to receive their full scholarship award.
- Awards are based on Adult Workforce Education staff recommendations and at the discretion of the Auburn Education Foundation Board of Directors. Decisions cannot be appealed or petitioned.

Awards:

Machining/CNC Program:	Up to 50% off the total program cost
Manual Machining Introduction	Up to 50% off the total module cost
Manual Machining Advanced	Up to 50% off the total module cost
CNC Machining	Up to 50% off the total module cost
